III. AGREEMENT PROPOSAL

Attach a short narrative (no more than 3-pages) that addresses the need for this agreement, clearly articulates the rationale for this agreement, and provides a plan for managing the collaborative activity.

BENCHMARK QUESTIONS AND RATIONALE FOR ESTABLISHING STRATEGIC GLOBAL PARTNERSHIPS:		
<i>Reputation & Ranking</i>	<i>Research & Education</i>	<i>Revenue & ROI</i>
Is the partner institution accredited?	Do the partner institution's academic and research programs add value to UNT's programs?	Does the partnership lead to increased funding for UNT?
Is the partner institution highly ranked or have highly ranked programs of interest?	Will the partnership add value to student experiences or contribute to faculty excellence?	Will the partnership generate revenue or secure sustainable external funding?
Is the partnership of mutual benefit?	Will the partnership provide innovative collaborations?	What are the measurable expected outcomes of the partnership?
Will the partnership advance UNT's and colleges' strategic goals?	Will the partnership enhance UNT's academic and research productivity?	What is the expected ROI of the partnership?
Does the partnership elevate UNT's visibility among key constituencies?	Is there student/faculty interests and support for the proposed activity?	How will the partnership leverage future opportunities?
What is the long-term viability, broader potential scope or scale of the partnership?	Does the partnership assist students in achieving career success or contribute to students' global competencies?	Does the partnership offer recruitment opportunities for UNT?
