

STEM OPT Clearance Form

This form is for F-1 STEM students currently on Post-Completion OPT who are in the process of applying for the STEM OPT Extension based on a previous degree. Please complete the student section and submit the form to the international student office at the school where you obtained your previous degree. A Designated School Official (DSO) should complete the school section of this form. Return the completed form to the ISSS office, or your prior DSO may return the completed form to our office via one of the means listed below.
