To Whom It May Concern:

This letter confirms that the University of North Texas (UNT) (SEVP School Code: DAL214F00610000; Exchange Visitor Program Number: P-1-03874) offers academic instruction at its campus in Denton, Texas. For the Spring 2027 semester, classes are scheduled to begin on January 11, 2027. UNT will continue to offer instruction through a combination of in-person, hybrid, and online learning modalities.

Students attending UNT in F-1 or J-1 status are enrolled in academic programs that require participation in campus-based instruction and are expected to maintain enrollment in accordance with university policies and applicable U.S. immigration regulations. Many degree programs include courses delivered in person or through hybrid formats that necessitate the student's physical presence in the United States to make normal progress toward degree completion.

Students who have been issued a valid Form I-20 or Form DS-2019 by UNT have been admitted to a full course of study or authorized academic program and are eligible to enroll for the Spring 2027 semester, provided they continue to meet all applicable institutional and immigration requirements.

If you have questions regarding a student's enrollment, eligibility to enroll for the Spring 2027 semester, immigration status, or the validity ofa Form I-20 or Form DS-2019 issued by UNT, please contact International Student and Scholar Services at internationaladvising@unt.edu.

We respectfully request any assistance and consideration that may be provided in facilitating visa issuance and admission to the United States for eligible UNT F-1 students and J-1 exchange visitors.

Thank you for your assistance.
