To Whom It May Concern:

This is to confirm that The University of North Texas (School Code DAL214F0061000, EV Program P-1-03874) provides on campus instruction. On-campus instruction will continue for Fall 2025, with instruction beginning on August 18th, 2025. We request your assistance with granting an expedited visa appointment to our student in order to facilitate their arrival on campus in time to begin Fall 2025 studies.

Critical dates for Fall 2025 enrollment at the University of North Texas include:

- **August 11, 2025** - New students have a report date of August 11, 2025 to allow for participation in pre-semester academic orientations that take place August 12-16.
- **August 18, 2025** - Fall 2025 semester classes begin.
- **August 22, 2025** - Last day to enroll. UNT will allow new and returning students to enroll as late as August 22, 2025.

Please note, per Department of State expedited appointment priorities, international students must make up less than 15% of total enrollment. UNT's international student enrollment is less than 15% of our total enrollment. As of our Spring 2025 official reporting, UNT enrolled 6,289 F-1 and J-1 visa holders, representing 14.5% of the total population of 43,356 students.

If you have any questions or concerns regarding a student's status at UNT, eligibility to enroll for Fall 2025, or validity of the I-20/DS-2019 in their possession please contact internationaladvising@unt.edu.

Any assistance you can provide via visa appointment is greatly appreciated.

Sincerely,
