FULBRIGHT SPECIALIST PROGRAM INFORMATION SESSION

Are you interested in sharing your expertise, gaining a global perspective, and developing collaborations with institutions abroad? The Fulbright Specialist Program provides U.S. citizens who are established academics or professionals with opportunities to engage in short-term (2-6 week) project-based exchanges at host institutions in over 150 countries and other areas.

Amirah Nelson, Senior Outreach Officer for the Fulbright Specialist Program at World Learning, will provide a virtual presentation on the Fulbright Specialist Program to faculty, administrators, and professional staff, and will be available to answer attendee questions.

To join this event, please register at: https://bit.ly/FulbrightatUNT.
